

ALL ABOUT TOYO LANGUAGESCHOOL

JCT

There are many self-directed activities that require you to think and communicate on your own. You will acquire the habit of setting goals and checking your current ability to grow.

Jikei Japanese Monitoring

Counseling

Target Setting

With the original textbook, designed for international students, you'll complete your own portfolio!

CHANGE

4M

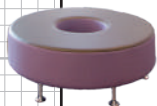

From enrollment to graduation, students can effectively improve their Japanese language skills through the use of digital content and teachers who will watch over them throughout their studies.
